Lisa,

I want to personally thank you for the great job you did for our "Office Recognition Luncheon" on July 23rd the food was simply outstanding, and EVERYONE was truly satisfied. Nothing but good comments were made, and I was advised that I made a great choice in selecting your catering company for the function. I can honestly say that I could have not picked anyone else to do such a wonderful job in the presentation and delivery of the food. You really out did yourself and I would highly recommend you to anyone that I come across in need of a good caterer.

Thanks again and I look forward to you catering to us again.
