Gwinnett Glows

Dear Lisa and Chef David:

Thank you for the gracious luncheon you prepared on July Fourth for the public safety officers and officials on duty throughout the long holiday weekend.

We heard many favorable comments and much enjoyment of the delicious food as well as the price reduction you provided in support of the officers. I know they enjoyed your recognition of their dedicated work fully as much as they enjoyed the delicious lunch!

As coordinators of the 2008 Gwinnett Glows Fourth of July celebration, we know firsthand about the long hours these police officers, emergency responders, and sheriff's deputies put in every Fourth of July, we want to express our sincere thanks for supporting this important patriotic holiday tradition two years in a row.

Thanks to our business community, Gwinnett County has been able to stage this free community event for the past two decades – and it gets better ever year. But we truly could not make it happen without you. Thanks again for your support.

Sincerely,

Heather Sawyer
