Dear Lisa and David:

On behalf of Usher Raymond IV and Usher's New Look Organization, we would like to thank you for your gracious donation of food and services for Usher's Project Restart benefiting the gulf coast hurricane survivors.

Parties Galore's coordination effort and level of service to the concert staff, as well as the performers, was excellent. We could not have pulled off such a feat without the generous donation of time, money and food from business like yours.

Thanks again for your support and we look forward to working with your company again in the near future.

Best Wishes,

Gwinnett Glows

Dear Lisa and Chef David:

Thank you for the gracious luncheon you prepared on July Fourth for the public safety officers and officials on duty throughout the long holiday weekend.

We heard many favorable comments and much enjoyment of the delicious food as well as the price reduction you provided in support of the officers. I know they enjoyed your recognition of their dedicated work fully as much as they enjoyed the delicious lunch!

As coordinators of the 2008 Gwinnett Glows Fourth of July celebration, we know firsthand about the long hours these police officers, emergency responders, and sheriff's deputies put in every Fourth of July, we want to express our sincere thanks for supporting this important patriotic holiday tradition two years in a row.

Thanks to our business community, Gwinnett County has been able to stage this free community event for the past two decades – and it gets better ever year. But we truly could not make it happen without you. Thanks again for your support.

Sincerely,

Client Reviews

Dear David and Lisa,

Please let me express our sincere gratitude on the wonderful job your entire staff did at our most recent Annual Open House. Being that our client base consists primarily of caterers, event designers, meeting planners, bridal consultants and various venues in the Southeast, it was very critical for us to select the right caterer to impress this very selective group.

Your staff not only met but also excelled in providing a beautiful menu that tasted as great as it looked. The prompt/early arrival of your setup crew made our day so much more relaxed. We were actually able to enjoy being with our clients and not have to worry about any of the details regarding the food service. You made everything look so effortless!

Due to your high ethical standards, caring attitudes and ability to maintain a harmonious atmosphere (very difficult to achieve with off premise catering), we genuinely salute Parties Galore for being the shining star amongst a galaxy of caterers.

Kind regards,

Lisa,

I want to personally thank you for the great job you did for our “Office Recognition Luncheon” on July 23rd the food was simply outstanding, and EVERYONE was truly satisfied. Nothing but good comments were made, and I was advised that I made a great choice in selecting your catering company for the function. I can honestly say that I could have not picked anyone else to do such a wonderful job in the presentation and delivery of the food. You really out did yourself and I would highly recommend you to anyone that I come across in need of a good caterer.

Thanks again and I look forward to you catering to us again.

To Chef David and Lisa:

Steve and I would like to thank you for making our wedding reception so special. Even though our wedding was over three months ago, we're still getting compliments on how beautiful everything was. When Steve and I made our entrance into the reception hall, I was blown away with the décor. Parties Galore had decorated the reception area with so many beautiful candles and ice sculptures. The décor was just what I had imagined my wedding reception to be.

Chef David, besides the reception hall looking so wonderful, I'll still get compliments on the food itself. Everyone was very surprised by the variety of dishes that I had. Everything from the appetizers to the main buffet dishes was excellent. Even though that evening went by fast for me, I remember how wonderful the food was! We also appreciate you offering suggestions and coming through with ideas at the last minute.

Lisa: thank you for always being so professional and nice. When I had to deal with wedding vendors, I found bad attitudes to be the norm, but you were definitely the exception. I'll always remember your attention to detail including the receipts that were emailed to me in a timely manner.

We were very pleased with your service and would definitely recommend you and your staff again!

Thanks again,
Mr. and Mrs. Steve Skelton
